

Cash&Carry Smart Foodservice to Open New Coeur d'Alene Store June 17

PORTLAND, Ore., May 12, 2017 /PRNewswire/ -- Cash&Carry Smart Foodservice, a warehouse-format store that has catered to the foodservice industry for more than 60 years, will open a new store in Coeur d'Alene, ID on June 17, 2017. Located at 208 E. Appleway Avenue, the Coeur d'Alene store will be Cash&Carry's fourth in Idaho, third in the local region, joining two Spokane, WA stores, and 61st in the Western U.S.

The logo for Cash&Carry Smart Foodservice is displayed on a bright yellow rectangular background. The words "Cash&Carry" are written in a large, black, serif font, with a thin horizontal line underneath. Below this, the words "Smart Foodservice" are written in a smaller, bold, black, sans-serif font.

Offering a wide range of products designed to meet the needs of local foodservice businesses, the new location will provide a one-stop shopping location for product and supply necessities.

The 20,000 square-foot store, like all Cash&Carry locations, will carry more than 8,000 products including fresh produce, fresh meat, cheese, dairy and deli products, frozen foods, grocery products, baking ingredients, beverages, bread and tortillas, janitorial supplies, catering supplies, tableware and barware. Though Cash&Carry stores cater primarily to the foodservice industry, they offer an easy, affordable option for non-profit organizations, schools, church groups, caterers and other individuals looking to purchase larger product quantities at lower prices.

"Our stores provide foodservice operators the right products at the right price," says John Mathews, Vice President of Sales and Marketing for Cash&Carry. "We offer an assortment that includes major national brands as well as high-quality private label products. We buy in volume at the best possible prices, and we pass those savings along to our customers. We are excited about opening our new store in Coeur d'Alene to serve new and existing customers in the region."
