PROXY STATEMENT

The Board of Directors (the "Board") of Smart & Final Stores, Inc., a Delaware corporation (the "Company," "we," "us" or "our"), has prepared this document to solicit your proxy to vote upon certain matters at the Company's 2015 Annual Meeting of Stockholders (the "Annual Meeting").

These proxy materials contain information regarding the Annual Meeting, to be held on May 14, 2015, beginning at 10:00 A.M. Pacific Time at the Omni Los Angeles Hotel at California Plaza, Crocker Room, 251 South Olive Street, Los Angeles, California 90012, and at any adjournment or postponement thereof. As permitted by the rules adopted by the Securities and Exchange Commission (the "SEC"), rather than mailing a full paper set of these proxy materials, we are mailing to many of our stockholders only a notice of internet availability of proxy materials (the "Notice") containing instructions on how to access and review these proxy materials and submit their respective proxy votes online. If you receive the Notice and would like to receive a paper copy of these proxy materials, you should follow the instructions for requesting such materials located at www.proxyvote.com.

QUESTIONS ABOUT THE ANNUAL MEETING AND THESE PROXY MATERIALS

It is anticipated that we will begin mailing this proxy statement, the proxy card, our 2014 Annual Report on Form 10-K (the "Annual Report") and the Notice, and that these proxy materials will first be made available online to our stockholders, on or about March 26, 2015. The information regarding stock ownership and other matters in this proxy statement is as of March 17, 2015 (the "Record Date"), unless otherwise indicated.

What may I vote on?

You may vote on the following proposals:

- the election of two Class I directors for three-year terms expiring at the 2018 Annual Meeting of Stockholders once their respective successors have been duly elected and qualified, or their earlier resignation or removal (Proposal 1);
- the ratification of the appointment of Ernst & Young LLP ("Ernst & Young") as independent auditors for our 2015 fiscal year (Proposal 2);
- the approval, by non-binding vote, of the compensation paid to our named executive officers in 2014, as disclosed in these proxy materials (commonly known as a "say-on-pay" proposal) (Proposal 3); and
- a recommendation, by non-binding vote, of the frequency of future advisory votes on executive compensation (commonly known as a "say-on-frequency" proposal) (Proposal 4).

THE BOARD RECOMMENDS A VOTE *FOR* THE ELECTION OF THE TWO CLASS I DIRECTORS, *FOR* THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG AS THE INDEPENDENT AUDITORS, *FOR* THE APPROVAL, ON AN ADVISORY BASIS, OF COMPENSATION PAID TO THE NAMED EXECUTIVE OFFICERS IN 2014 ("SAY-ON-PAY") AND TO RECOMMEND HOLDING THE SAY-ON-PAY VOTE *ONCE EVERY YEAR* ("SAY-ON-FREQUENCY").

Who may vote?

Stockholders of record of our common stock, par value \$0.001 per share ("common stock"), at the close of business on the Record Date are entitled to receive the Notice and these proxy materials and to vote their respective shares at the Annual Meeting. Each share of common stock is entitled to one vote on each matter that is properly brought before the Annual Meeting. As of the Record Date, 73,771,652 shares of common stock were outstanding.

How do I vote?

We encourage you to vote your shares via the Internet. How you vote will depend on how you hold your shares of common stock.

Stockholders of Record

If your common stock is registered directly in your name with our transfer agent, Wells Fargo Shareowner Services, you are considered a stockholder of record with respect to those shares, and a full paper set of these proxy materials is being sent directly to you. As a stockholder of record, you have the right to vote by proxy.

You may vote by proxy in any of the following three ways:

Internet. Go to www.proxyvote.com to use the Internet to transmit your voting instructions and for electronic delivery of information. Have your proxy card in hand when you access the website.

Phone. Call 1-800-690-6903 using any touch-tone telephone to transmit your voting instructions. Have your proxy card in hand when you call.

Mail. Mark, sign and date your proxy card and return it in the postage-paid envelope we have provided, or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

Voting by any of these methods will not affect your right to attend the Annual Meeting and vote in person. However, for those who will not be voting in person at the Annual Meeting, your final voting instructions must be received by no later than 11:59 p.m. on May 13, 2015.

Beneficial Owners

Most of our stockholders hold their shares through a stockbroker, bank or other nominee, rather than directly in their own names. If you hold your shares in one of these ways, you are considered the beneficial owner of shares held in street name, and the Notice is being forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote. Your broker, bank or nominee has enclosed a voting instruction form for you to use in directing the broker, bank or nominee on how to vote your shares. If you hold your shares through a New York Stock Exchange ("NYSE") member brokerage firm, such member brokerage firm has the discretion to vote shares it holds on your behalf with respect to Proposal 2 (the ratification of Ernst & Young as independent auditors for our 2015 fiscal year), but not with respect to Proposal 1 (the election of two Class I directors), Proposal 3 (the say-on-pay proposal) or Proposal 4 (the say-on-frequency proposal), as more fully described under "What is a broker 'non-vote?'" below.

Can I change my vote?

Yes. If you are the stockholder of record, you may revoke your proxy before it is exercised by doing any of the following:

- sending a letter to us stating that your proxy is revoked;

- signing a new proxy and sending it to us; or
- attending the Annual Meeting and voting by ballot.

Beneficial owners should contact their broker, bank or nominee for instructions on changing their votes.

How many votes must be present to hold the Annual Meeting?

A "quorum" is necessary to hold the Annual Meeting. A quorum is a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting. They may be present at the Annual Meeting or represented by proxy. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining a quorum.

How many votes are needed to approve the proposals?

At the Annual Meeting, a "FOR" vote by a majority of votes cast is required for Proposal 1 (the election of two Class I directors), Proposal 2 (the ratification of Ernst & Young as independent auditors for our 2015 fiscal year) and Proposal 3 (the say-on-pay proposal). With respect to Proposal 4 (the say-on-frequency proposal), the alternative receiving the greatest number of votes (every one year, two years or three years) will be the frequency that our stockholders will approve, by non-binding vote, the say-on-pay proposal.

A "FOR" vote by a "majority of votes cast" means that the number of shares voted "FOR" exceeds the number of shares voted "AGAINST."

What is an abstention?

An abstention is a properly signed proxy card that is marked "abstain." Abstentions do not constitute votes "FOR" or votes "AGAINST."

What is a broker "non-vote?"

A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received timely instructions from the beneficial owner. Under current applicable rules, Proposal 2 (the ratification of Ernst & Young as independent auditors for our 2015 fiscal year) is a "discretionary" item upon which NYSE member brokerage firms that hold shares as nominee may vote on behalf of the beneficial owners if such beneficial owners have not furnished voting instructions by the tenth day before the Annual Meeting.

However, NYSE member brokerage firms that hold shares as a nominee may not vote on behalf of the beneficial owners on the following proposals unless you provide voting instructions: Proposal 1 (the election of two Class I directors), Proposal 3 (the say-on-pay proposal) and Proposal 4 (the say-on-frequency proposal). Therefore, if an NYSE member brokerage firm holds your common stock as a nominee, please instruct your broker how to vote your common stock on each of these proposals. This will ensure that your shares are counted with respect to each of these proposals.

Will any other matters be acted on at the Annual Meeting?

If any other matters are properly presented at the Annual Meeting or any adjournment or postponement thereof, the persons named in the proxy will have discretion to vote on those matters. As of March 1, 2015, the date by which any proposal for consideration at the Annual Meeting submitted by a stockholder must have been received by us to be presented at the Annual Meeting, and as of the

date of these proxy materials, we did not know of any other matters to be presented at the Annual Meeting.

Who pays for this proxy solicitation?

We will pay the expenses of soliciting proxies. In addition to solicitation by mail, proxies may be solicited in person or by telephone or other means by our directors or associates. We will reimburse brokerage firms and other nominees, custodians and fiduciaries for costs incurred by them in mailing these proxy materials to the beneficial owners of common stock held of record by such persons.

Whom should I contact with other questions?

If you have additional questions about these proxy materials or the Annual Meeting, please contact: Smart & Final Stores, Inc., 600 Citadel Drive, Commerce, California, 90040, Attention: Donald G. Alvarado, Telephone: (323) 869-7500.

OTHER BOARD INFORMATION

Board Meetings in 2014

The Board held five meetings during our fiscal year ended December 28, 2014.

Director Attendance

During our fiscal year ended December 28, 2014, each of our directors attended at least 75% of the total number of meetings of the Board and committees on which he or she served that were held during the period he or she served as a director or committee member, as applicable.

The Annual Meeting will be our first Annual Meeting of Stockholders since we completed our initial public offering (the "IPO") in September 2014. We encourage, but do not require, our directors to attend our Annual Meetings of Stockholders.

Director Independence

The Board is comprised of Richard A. Anicetti, Norman H. Axelrod, Andrew A. Giancamilli, Dennis T. Gies, David G. Hirz, David B. Kaplan, Adam L. Stein and Joseph S. Tesoriero. The Board, upon the findings of the Nominating Committee, has determined that each of Messrs. Anicetti, Axelrod, Giancamilli, Gies, Kaplan, Stein and Tesoriero is "independent" within the meaning of Rule 303A.02 of the NYSE Listed Company Manual.

Our common stock has been listed for trading on the NYSE under the symbol "SFS" since September 24, 2014. Prior to the consummation of the IPO, we had no securities listed for trading on a national securities exchange or in an automated inter-dealer quotation system of a national securities association that required a majority of the Board to be independent.

Leadership Structure

The Board has no policy with respect to the separation of the offices of Chief Executive Officer and Chairman of the Board. It is the Board's view that rather than having a rigid policy, the Board, with the advice and assistance of the Nominating Committee, and upon consideration of all relevant factors and circumstances, will determine, as and when appropriate, whether it is in the best interests of the Company and its stockholders for such offices to be separate or combined.

Currently, our leadership structure separates the offices of Chief Executive Officer and Chairman of the Board, with Mr. Hirz serving as our Chief Executive Officer and Mr. Kaplan as Chairman of the Board. We believe this is appropriate, as it provides Mr. Hirz with the ability to focus on our day-to-day operations while Mr. Kaplan focuses on oversight of the Board.

Risk Oversight

The Board plays an active role in overseeing management of our risks. The Board regularly reviews information regarding our credit, liquidity and operations, as well as the risks associated with each. The Audit Committee of the Board ("Audit Committee") is responsible for overseeing the management of financial risks. The Compensation Committee of the Board (the "Compensation Committee" and, collectively with the Audit Committee and the Nominating Committee, the "Committees") is responsible for overseeing the management of risks relating to our executive compensation policies and arrangements, and for managing risks relating to our director compensation policies and arrangements. The Nominating Committee is responsible for reviewing the independence of the Board and other corporate governance matters. While each of the Committees is responsible for evaluating certain risks and overseeing the management of such risks, the Board as a whole is regularly informed of the conclusions of such evaluations through reports of the Committees.

Board Committees

Each of the Committees is a standing committee of the Board. The Board has adopted a written charter for each of the Committees, which are available, along with the Code of Business Conduct and Ethics and Corporate Governance Guidelines, on the Corporate Governance page of the Investors section of our website located at www.smartandfinal.com.

Upon the closing of the Ares Acquisition, Smart & Final Stores LLC (an indirect wholly-owned subsidiary of the Company) entered into a first lien term loan facility (the "Term Loan Facility"), under which various funds affiliated with Ares Corporate Opportunities Fund III, L.P. ("ACOF III") and Ares Corporate Opportunities Fund IV, L.P. ("ACOF IV"), our principal stockholders, are lenders. Registration of any of these shares under the Securities Act would result in such shares becoming fully tradable without restriction under the Securities Act immediately upon the effectiveness of the registration statement, except for shares purchased by affiliates.

Demand Registration Rights

Subject to certain conditions and restrictions contained in the Registration Rights Agreement, ACOF III and ACOF IV can make an unlimited number of demands for us to register their shares of our common stock under the Securities Act.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

In this Compensation Discussion and Analysis, we address our philosophy, programs and processes related to the compensation paid or awarded for fiscal year 2014 to our named executive officers listed in the Summary Compensation Table for Fiscal Year 2014 that follows this discussion.

Our named executive officers for fiscal year 2014, which consist of our principal executive officer, our principal financial officer and our three other most highly compensated executive officers for fiscal year 2014, are:

- David G. Hirz, who serves as President and Chief Executive Officer and a member of our board of directors and is our principal executive officer;
- Richard N. Phegley, who serves as Chief Financial Officer and is our principal financial officer;
- Eleanor E. Hong, who serves as Senior Vice President and Chief Marketing Officer;
- Michael M. Laddon, who serves as Senior Vice President and Chief Information Officer; and
- Martin J. Trtek, who serves as President, *Cash & Carry*.

Fiscal Year 2014 Compensation

Compensation Philosophy and Objectives

Prior to our IPO, we were a private company and did not historically have a formal compensation philosophy. Our fiscal year 2014 compensation philosophy was established when we were a private company and intended to appropriately incentivize our named executive officers to achieve short- and long-term company success. Our Compensation Committee has worked with Hay Group, our compensation consultant, to develop and formalize such a philosophy and to implement compensation arrangements that reflect that philosophy. Our compensation philosophy reflects the following general principles:

- Offer balanced total compensation, which may include base pay, short-term and long-term performance incentives, severance and retirement and other benefits, in an effort to satisfy our stockholder, Company and individual executive goals.
- Attract and retain high caliber executives and key personnel by offering total compensation that is competitive with that offered by similarly situated companies. We refer to this objective as "competitive compensation."
- Align the compensation of executives with the goals of the Company by conditioning a substantial portion of each named executive officer's compensation on a combination of short- and long-term performance, including cash incentive bonuses and equity incentives. We refer to this objective as "performance incentives."
- Increase, when appropriate, the percentage of a named executive officer's total compensation that is "at risk" proportionate to his or her overall responsibilities, position and compensation.

Determination of Compensation

During fiscal year 2014, our board of directors and Compensation Committee made compensation decisions with respect to our named executive officers. In making executive compensation determinations for fiscal year 2014, we relied on the significant experience of our directors in establishing compensation across many companies in multiple industries, as well as the input of our

chief executive officer, who has many years of experience in our industry. In addition, Hay Group was retained by the Company in connection with the IPO, and by the Compensation Committee following the IPO, as a compensation consultant to provide advice on compensation for a public company. Other than serving as our compensation consultant, Hay Group does not provide any additional services to the Company. As a private company, we did not historically use a specific peer group in developing compensation packages for our named executive officers. In connection with the IPO, the Compensation Committee analyzed market data for executive compensation focusing on retail and foodservice companies with \$1.5 billion to \$8 billion in annual revenue. The Compensation Committee reviewed compensation data from the public filings for the following companies:

Big Lots	The Pantry
Casey's General Stores	SpartanNash
Core-Mark Holdings	Sprouts Farmers Market
Fresh Market	Ultra Salon
GNC Holdings	United Natural Foods
Ingles Market	Village Super Market
Roundy's	Weis Market
Sally Beauty	

In connection with the IPO, the Compensation Committee reviewed our named executive officer compensation against this peer group to ensure that our named executive officer compensation is competitive and sufficient to recruit and retain our named executive officers. While the Compensation Committee considered this data in evaluating named executive officer compensation, we did not seek to benchmark our named executive compensation to any particular level.

The Compensation Committee expects to periodically review and update this peer group and to utilize Hay Group for benchmarking and peer group analysis in determining and developing compensation packages for our named executive officers.

Elements of Our Executive Compensation Program

Historically, and for fiscal year 2014, our executive compensation program consisted of the following elements:

- base salary;
- annual cash incentive bonuses;
- stock options;
- health and retirement benefits and perquisites; and
- severance payments.

We do not have formal policies relating to the allocation of total compensation among the various elements of our compensation program.

Base Salaries

The base salaries of our named executive officers are an important part of their total compensation package, and are intended to reflect their respective positions, duties and responsibilities. Base salary is a visible and stable foundation of our "competitive compensation" program. On a prospective basis, we will continue to evaluate the mix of base salary, short-term incentive compensation and long-term incentive compensation to appropriately align the interests of our named

executive officers with those of our stockholders. As of the end of fiscal year 2014, our named executive officers were entitled to the following base salaries:

<u>Named Executive Officer</u>	<u>Base Salary</u>
David G. Hirz	\$ 850,000
Richard N. Phegley	\$ 435,625
Eleanor E. Hong	\$ 400,000
Michael M. Laddon	\$ 373,244
Martin J. Trtek	\$ 300,000

In March 2014, Mr. Hirz approved merit-based increases in the base salaries of the following named executive officers in the following percentages: Mr. Phegley, 2.5%; Mr. Laddon, 2.5%; and Mr. Trtek, 9.8%. Mr. Trtek's base salary increase included an adjustment to more closely align his base salary with the prevailing market practices. Mr. Hirz's and Ms. Hong's base salaries did not change in fiscal year 2014.

In addition, in March 2015, the Compensation Committee, at the recommendation of Mr. Hirz, approved merit-based increases in the base salaries of the following named executive officers in the following percentages: Mr. Phegley, 4.0%; Ms. Hong, 3.0%; Mr. Laddon, 3.5%; and Mr. Trtek, 33.3%. Mr. Trtek's base salary increase included an adjustment to more closely align his base salary with the prevailing market practices.

Cash Incentive Program

We consider annual cash incentive bonuses to be an important component of our "performance incentives." We consider annual cash incentive bonuses to be "at-risk" compensation. As "at-risk" compensation, we increase the size of the target bonus, as a percentage of base compensation, proportionate to the positions and responsibilities of our executive officers. Historically, including in fiscal year 2014, our named executive officers participated in our annual cash incentive bonus program at the following target percentages of base salary:

<u>Named Executive Officer</u>	<u>Target Percentage</u>
David G. Hirz	100%
Richard N. Phegley	75%
Eleanor E. Hong	60%
Michael M. Laddon	60%
Martin J. Trtek	60%

Our annual cash incentive bonus program for fiscal year 2014 was known as the Smart & Final Annual Incentive Program (the "2014 Cash Incentive Program"). Each named executive officers' target incentive bonus was the percentage of base salary set forth above, with the potential for greater or smaller payments in the event of performance above or below the target performance goals. For performance at threshold levels, the named executive officer was entitled to receive 50% of the target incentive bonus, and for performance at or above the maximum, the named executive officer was entitled to receive 150% of the target incentive bonus. Each named executive officer received an amount calculated using linear interpolation for performance between the threshold and the target, and for performance between the target and the maximum. For the 2014 Cash Incentive Program, the performance goals were based on a mix of Management Incentive EBITDA (as defined below), comparable store sales versus budget and new store sales versus pro forma sales (as described below). We believe that the use of Management Incentive EBITDA and sales growth (both comparable store and new store sales) provides consistency and comparability with our past financial performance and is

consistent with our objective of tying annual incentives to metrics that support increasing stockholder value.

For Messrs. Hirz, Phegley and Laddon and Ms. Hong, Management Incentive EBITDA and comparable store sales versus budget under the 2014 Cash Incentive Program were measured at the Company level. The target Management Incentive EBITDA performance was \$177.3 million, with an actual performance of \$181.1 million. The target comparable store sales versus budget was 4.05% with an actual performance of 6.27%. For Mr. Trtek, target comparable store sales versus budget was measured at the level of our *Cash & Carry* segment, with a target performance of 4.50% and an actual performance of 10.02%.

For all of our named executive officers other than Mr. Trtek, we established pro forma sales goals in a manner intended to ensure the viability of such new stores when entering new markets. We believe such goals were ambitious and they were intended to be difficult to achieve and necessary to ensure the success of the Company as it grows. For Mr. Trtek, we established segment-level Management Incentive EBITDA goals in a manner intended to increase stockholder value and maintain the growth of the business so that such goals were obtainable in a manner intended to reward outstanding performance. In recent years, the Company has outperformed the performance goals for Management Incentive EBITDA, however the incentive plan was realigned in fiscal year 2013 to add new store sales versus pro forma sales as a performance goal and reduce the maximum bonus payment. Our *Cash & Carry* banner stores achieved 148% of the Management Incentive EBITDA goal in 2011, 103% of the Management Incentive EBITDA goal in 2012 and 144% of the Management Incentive EBITDA goal in 2013. The weight of each performance objective and the percentage of each target achieved is set forth in the charts below.

Messrs. Hirz, Phegley and Laddon and Ms. Hong. The cash incentive bonuses for Messrs. Hirz, Phegley and Laddon and Ms. Hong for fiscal year 2014 were calculated based on the performance objectives applicable to corporate-level executives as outlined in the chart below:

	<u>Weight</u>	<u>Percentage of Target Achieved</u>	<u>Bonus Payout Percentage</u>
Management Incentive EBITDA	65%	102.1%	108.5%
Comparable Store Sales vs. Budget	20%	154.9%	150.0%
<i>Smart & Final</i> New Store Sales vs. Pro Forma Sales	15%	95.2%	70.2%
Weighted Total			111.0%

Mr. Trtek. The cash incentive bonus for Mr. Trtek for fiscal year 2014 was calculated based on the performance objectives applicable only to *Cash & Carry* banner-level executives as outlined in the chart below:

	<u>Weight</u>	<u>Percentage of Target Achieved</u>	<u>Bonus Payout Percentage</u>
<i>Cash & Carry</i> Management Incentive EBITDA	80%	109.0%	143.7%
<i>Cash & Carry</i> Comparable Store Sales vs. Budget	20%	222.7%	150.0%
Weighted Total			145.0%

"Management Incentive EBITDA" means earnings before interest, income tax, depreciation and amortization (inclusive of share-based compensation), but excluding accruals for administrative incentive bonuses and the expense or income effect of certain unusual items, such as strategic transaction costs, discontinued operations and closed store costs, non-cash rent expense or income, non-cash benefit plan expenses, severance costs, asset dispositions including impairment charges, extinguishment of debt, unusual legal charges, expenses associated with business optimization programs

and other extraordinary or non-recurring items. However, our Management Incentive EBITDA does include "pre-opening expenses," meaning expenses applicable to projects under development, including among other expenses, pre-opening labor (including payroll taxes and fringe benefits), travel expenses, advertising expenses, rent, common area maintenance expenses, utilities and distribution costs. "Pro forma sales" refers to the anticipated sales used to calculate the anticipated return on capital when a new store was approved. Our annual cash incentive bonus program for fiscal year 2015 is substantially similar to the 2014 Cash Incentive Program, except that the maximum bonus opportunity has been increased from 150% of the target incentive bonus to 200% of the target incentive bonus.

Signing Bonus

In connection with the start of her employment with the Company in February 2014, Ms. Hong became entitled to receive a \$200,000 signing bonus paid in four equal installments: on or shortly after her start date; on the 6 month anniversary of her start date; on the one-year anniversary of her start date; and on the 18-month anniversary of her start date. In connection with the IPO, we accelerated Ms. Hong's \$50,000 bonus otherwise payable at the one-year anniversary of her start date. Ms. Hong must be employed by the Company on each payment date to be eligible for such payment, other than as described below in "—Potential Payments Upon Termination or Change in Control."

Equity-Based Compensation

We view equity-based compensation as a critical component of our balanced total compensation program. Equity-based compensation creates an ownership culture among our employees that provides an incentive to contribute to the continued growth and development of our business and aligns interests of executives and managers with those of our stockholders. We maintain the SF CC Holdings, Inc. 2012 Stock Incentive Plan (the "2012 Incentive Plan"), pursuant to which we have granted stock options to our named executive officers. In connection with the IPO, we adopted the Smart & Final Stores, Inc. 2014 Stock Incentive Plan (the "2014 Incentive Plan"), and amended the 2012 Incentive Plan so that no new awards are available to be granted under such plan.

Mr. Hirz

In connection with the IPO, we amended the stock options previously granted to Mr. Hirz under the 2012 Incentive Plan on February 1, 2013 to provide for certain acceleration as follows: (i) if Mr. Hirz's employment is terminated by the Company without Cause or by Mr. Hirz for Good Reason (each as defined in his employment agreement) within 60 days prior to or any time following a Change in Control (as defined in the 2012 Incentive Plan), the stock options will accelerate and vest; and (ii) if Mr. Hirz remains employed by the Company following a Change in Control, the stock options will accelerate and vest (A) on the 24-month anniversary of the Change in Control if such Change in Control occurs within the 24 months following the date of grant or (B) on the 13-month anniversary of the Change in Control if such Change in Control occurs more than 24 months after the date of grant.

In addition, in connection with the IPO, we granted Mr. Hirz an option to purchase 555,556 shares of common stock pursuant to the 2014 Incentive Plan. This stock option vests over five years at a rate of 10% on the first anniversary of the grant date, 10% on the second anniversary of the grant date, 20% on the third anniversary of the grant date, 20% on the fourth anniversary of the grant date, and 40% on the fifth anniversary of the grant date; provided that if Mr. Hirz's employment is terminated by the Company without Cause or by Mr. Hirz for Good Reason, other than in connection with a Change in Control, a portion of the stock option will vest so that Mr. Hirz is vested in the same portion of the stock option that would have vested if the original vesting of the stock option was in equal installments over five years. Also, in connection with a Change in Control (as defined in the 2014 Incentive Plan), such option will be treated in the same manner as the amended stock options described above.

Mr. Phegley

In connection with the IPO, we granted Mr. Phegley an option to purchase 83,333 shares of common stock pursuant to the 2014 Incentive Plan. This stock option vests over five years at a rate of 10% on the first anniversary of the grant date, 10% on the second anniversary of the grant date, 20% on the third anniversary of the grant date, 20% on the fourth anniversary of the grant date, and 40% on the fifth anniversary of the grant date. We also granted Mr. Phegley an option to purchase 345,362 shares of common stock with an exercise price at the IPO price and 153,008 shares of restricted stock, each of which vests on the earlier of (i) May 30, 2017, (ii) a Change in Control (as defined in the 2012 Incentive Plan) and (iii) the earliest date on or after May 30, 2016 when Ares Management no longer owns 50% or more of the voting power of the Company.

At the time of the Ares Acquisition, Mr. Phegley rolled a stock option in our predecessor into an option to purchase our common stock. In May 2014, Mr. Phegley exercised such option immediately prior to its expiration via net exercise. We granted Mr. Phegley certain stock options pursuant to the 2012 Incentive Plan to account for the shares he surrendered via net settlement that were subsequently cancelled immediately prior to the IPO.

Eleanor Hong

In connection with the IPO, we granted Ms. Hong an option to purchase 83,333 shares of common stock pursuant to the 2014 Incentive Plan. This stock option vests in equal installments on each of the first five anniversaries of the grant date. We also granted Ms. Hong an option to purchase 181,250 shares of common stock with an exercise price at the IPO price and 56,250 shares of restricted stock, each of which vests in five equal installments from March 3, 2014. Additionally, if Ms. Hong terminates her employment from the Company for Good Reason (as defined in her offer letter), she has 90 days to exercise the vested portion of such stock options following her date of termination. Immediately prior to the IPO, we cancelled an earlier grant of stock options to Ms. Hong.

Michael Laddon and Martin Trtek

In connection with the IPO, we granted each of Messrs. Laddon and Trtek an option to purchase 83,333 shares of common stock pursuant to the 2014 Incentive Plan. These options vest in equal installments on each of the first five anniversaries of the grant date, except that, in March 2015, all of Mr. Laddon's outstanding, unvested options, including two awards granted in February 2013, were amended so that each tranche that was scheduled to vest in either November or September 2016, as applicable, vests on April 1, 2016.

Perquisites

Our named executive officers are provided with limited perquisites to aid in the performance of their respective duties and to provide "competitive compensation" with executives with similar positions and levels of responsibilities. Our named executive officers are provided with a combination of a car allowance or Company car, a gas card, auto insurance for one vehicle and a cell phone for use in connection with the performance of their respective duties, as their positions require that the executive officers be available for consultation outside the office. The car and cell phones are also used for limited personal use. Mr. Hirz is provided with a car allowance of \$1,500 per month; Messrs. Phegley and Laddon are each provided with a car allowance of \$950 per month; and Mr. Trtek is provided with a car allowance of \$800 per month. In addition, Messrs. Hirz and Trtek may use a Company-provided gas card for business and personal use, but are only reimbursed for gas card expenses if they file a business expense reimbursement form. Any amounts for which no business expense reimbursement form is submitted are reported as income. For fiscal year 2014, the following was reported as income related to gas cards: Mr. Hirz, \$7,122; and Mr. Trtek \$5,135.

In addition, our named executive officers participate in a grandfathered executive medical insurance plan that provides for reimbursement of out-of-pocket medical expenses.

In connection with Ms. Hong's hiring, we provided her with temporary housing in Los Angeles, California, with a value of \$34,597. We also reimbursed Ms. Hong \$53,150, in the aggregate, for costs and losses associated with selling her previous residence and purchasing a residence in Los Angeles, California. We provided a tax "gross-up" for such costs to Ms. Hong equal to \$89,859.

401(k) Plan

We maintain a tax-qualified retirement plan (the "401(k) Plan") that provides eligible employees with an opportunity to save for retirement on a tax-advantaged basis. Eligible employees are able to participate in the 401(k) Plan as of the first day of the month following the date they meet the 401(k) Plan's eligibility requirements, and participants are able to defer up to 100% of their eligible compensation subject to applicable annual limits under the Internal Revenue Code of 1986, as amended (the "Code"). All participants' interests in their deferrals are 100% vested when contributed. The 401(k) Plan permits us to make matching contributions and profit sharing contributions to eligible participants. We match contributions at a 50% rate, up to a cap of 6% of base salary. We have not made any profit sharing contributions to date.

Supplemental Deferred Compensation Plan

The Code imposes limits on highly compensated employees with respect to tax-qualified defined contribution retirement plans. This limitation reduces the retirement benefits for our named executive officers. Accordingly, as part of our total compensation benefits that we provide in order to maintain competitive compensation, we maintain a nonqualified deferred contribution plan (the "Supplemental Deferred Compensation Plan") in which a select group of our highly compensated employees, including all of our named executive officers, are eligible to participate. The Supplemental Deferred Compensation Plan allows employees to defer compensation into future years, including until retirement. The Supplemental Deferred Compensation Plan is partially funded in a rabbi trust.

In fiscal year 2014, the following named executive officers participated in the Supplemental Deferred Compensation Plan in the following amounts: Mr. Hirz deferred \$23,000; Mr. Phegley deferred \$99,831; Ms. Hong deferred \$19,385 and Mr. Laddon deferred \$92,160. Mr. Trtek did not make any deferrals thereunder in fiscal year 2014. Amounts deferred under the Supplemental Deferred Compensation Plan are then credited to each respective named executive officer's account based on his individual selections from a portfolio of available investments.

See "—Nonqualified Deferred Compensation Table" for further information regarding the Supplemental Deferred Compensation Plan.

Pension Plan

We maintain a defined benefit pension plan (the "Pension Plan") that was frozen in June 2008 for all participants and for benefit accruals, other than with respect to employees in our subsidiary, Commerce Distribution Company LLC or certain non-management employees in our warehouse or transportation departments. Messrs. Phegley and Trtek were participants in the Pension Plan prior to the Pension Plan being frozen and have fully vested benefits therein. The Pension Plan is not an ongoing element of our compensation philosophy, but is considered when reviewing whether the total compensation of our executives is balanced.

No payments were made to any named executive officer in fiscal year 2014 under the Pension Plan. The following were the present values of the accounts of our named executive officers under the Pension Plan as of the end of fiscal year 2014: Mr. Phegley, \$273,170; and Mr. Trtek, \$242,940. All

present values in the participants' Pension Plan accounts increased between the end of fiscal year 2013 and the end of fiscal year 2014. The respective incremental increases in the present value of the accounts between the end of fiscal year 2013 and the end of fiscal year 2014 were as follows: Mr. Phegley, \$46,062; and Mr. Trtek, \$39,277.

See "—Pension Benefits Table" for further information regarding the Pension Plan.

Supplemental Executive Retirement Plan

We maintain the Supplemental Executive Retirement Plan (the "SERP"), which is a non-qualified defined benefit plan for our senior executives. The SERP is not an ongoing element of our compensation philosophy, but is considered when reviewing whether the total compensation of our executives is balanced. The SERP is partially funded in a rabbi trust. The SERP was frozen to all participants and benefit accruals in January 2008. However, all of our named executive officers who are eligible to receive benefits pursuant to the Pension Plan are entitled to receive benefits equal to a certain percentage of their compensation, less the amounts payable under the Pension Plan.

Messrs. Phegley and Trtek were participants in the Pension Plan prior to the SERP being frozen and have vested benefits in the SERP. No payments were made to any named executive officer in fiscal year 2014 under the SERP. The following were the present values of the accounts under the SERP as of the end of fiscal year 2014: Mr. Phegley, \$2,079,988; and Mr. Trtek, \$1,128,879. All present values in the participants' SERP accounts increased between the end of fiscal year 2013 and the end of fiscal year 2014. The respective incremental increase in the present value of the accounts between the end of fiscal year 2013 and the end of fiscal year 2014 were as follows: Mr. Phegley, \$377,357; and Mr. Trtek, \$199,517.

See "—Pension Benefits Table" for further information regarding the SERP.

Severance

We entered into an amended and restated employment agreement with Mr. Hirz in connection with the IPO that provides for severance under certain circumstances. We also executed an offer letter with Ms. Hong that provides for severance under certain circumstances. We maintain a severance plan for our senior executives, including all of our named executive officers other than Mr. Hirz and Ms. Hong. We believe that providing severance is a necessary element of "competitive compensation," and is in line with current market practices. Severance protection also enhances our ability to retain capable executive officers and can create management stability during periods of uncertainty.

See "—Potential Payments Upon Termination or Change in Control" for information regarding benefits under Mr. Hirz's employment agreement, Ms. Hong's offer letter and the Severance Plan.

Employment Agreement with David G. Hirz. On September 23, 2014, we entered into an amended and restated employment agreement with Mr. Hirz pursuant to which he agreed to continue to be our President and Chief Executive Officer. The employment agreement is for a three-year term, provided that on the first anniversary of the effective date, and on each anniversary thereafter, the term of the employment agreement extends for an additional year unless either party provides 60 days' written notice prior to any such anniversary.

Mr. Hirz is also subject to a Fair Competition Agreement with us, pursuant to which he is subject to certain non-competition and non-solicitation restrictions while employed and for a limited time after the termination of his employment. In addition, Mr. Hirz is subject to confidentiality and non-disparagement restrictions.

Eleanor Hong Offer Letter. On January 27, 2014, we executed an offer letter with Ms. Hong pursuant to which she agreed to be our Senior Vice President and Chief Marketing Officer.

Ms. Hong is also subject to a Fair Competition Agreement with us, pursuant to which she is subject to certain non-competition and non-solicitation restrictions while employed and certain non-solicitation provisions for a limited time after the termination of her employment. In addition, Ms. Hong is subject to confidentiality and non-disparagement restrictions.

Tax Considerations

As a general matter, our board of directors and the Compensation Committee review and consider the various tax and accounting implications of compensation programs we utilize.

Section 162(m) of the Code ("Section 162(m)") generally disallows public companies a tax deduction for compensation in excess of \$1,000,000 paid to their chief executive officers and the three other most highly compensated executive officers (excluding the chief financial officer) unless certain performance and other requirements are met. Our intent generally is to design and administer executive compensation programs in a manner that will preserve the deductibility of compensation paid to our named executive officers, and we believe that a substantial portion of our current executive compensation program (including the stock options and other awards that may be granted to our named executive officers as described above) satisfies the requirements for exemption from the \$1,000,000 deduction limitation. We intend to comply with applicable laws in order to rely on the transition rules under Section 162(m) for newly public companies. To the extent the transition rules under Section 162(m) apply to us, the \$1,000,000 deduction limitation would not apply. However, we reserve the right to design programs that recognize a full range of performance criteria important to our success, even where the compensation paid under such programs may not be deductible.

Compensation Risk Assessment

Management has conducted a risk assessment of our compensation plans and practices and concluded that our compensation programs do not create risks that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee has reviewed and agrees with management's conclusion.

Role of Executive Officers in Determining Compensation for Our Executive Officers

Mr. Hirz determined merit increases in base salaries for executive officers, including named executive officers (other than himself), as described above under "—Fiscal Year 2014 Compensation—Elements of Our Executive Compensation Program—Base Salaries." Otherwise, none of our executive officers played a role in determining compensation for our executive officers.

Role of the Compensation Committee in Executive Compensation

During fiscal year 2014, with the exception of the merit increase in base salary for certain of our executive officers determined by Mr. Hirz as described above with respect to named executive officers under "—Fiscal Year 2014 Compensation—Elements of Our Executive Compensation Program—Base Salaries," our Compensation Committee made all decisions regarding the compensation of our executive officers; provided that the full board of directors approved the equity awards for our named executive officers. It is the Compensation Committee's responsibility to: oversee the design of our executive compensation programs, policies and practices; determine the types and amounts of most compensation for executive officers; and review and approve the adoption, termination and amendment of, and to administer and, as appropriate, make recommendations to our board of directors regarding, our incentive compensation and stock option plans. The Compensation Committee considered and approved the payments under the 2014 Cash Incentive Program. Our human resources department

supports the Compensation Committee's work, and in some cases acts under delegated authority to administer compensation programs. In addition, as described above, the Compensation Committee has directly engaged Hay Group to assist in its review of compensation for our executive officers.

Compensation Committee Interlocks and Insider Participation

In fiscal year 2014, none of our executive officers served as a director or member of the compensation committee of another entity whose executive officers served on our board of directors or the Compensation Committee.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed with management the above Compensation Discussion and Analysis. Based on our review and discussions with management, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Report.

(1) The amounts shown for option awards are based on the grant date fair value of awards calculated in accordance with FASB ASC Topic 718. The assumptions used in determining the amounts in this column are set forth in Note 13, Share-Based Compensation, to our consolidated financial statements for fiscal year 2014. For information regarding the number of shares underlying stock option grants awarded in fiscal year 2014 and other features of those grants, see the "—Grants of Plan-Based Awards Table" below.

- (2) The amounts reported in the Change in Pension Value and Nonqualified Deferred Compensation Earnings column for 2014 are comprised of changes between December 31, 2013 and December 31, 2014 in the actuarial present value of the accumulated pension benefits for Messrs. Phegley and Trtek, who participate in our frozen Pension Plan and SERP. Pension values may fluctuate significantly from year to year depending on a number of factors, including age, years of service, average annual earnings and the assumptions used to determine the present value, such as the discount rate. The assumptions used by the Company in calculating the change in pension value are described below in "Pension Benefits Table." The change in actuarial present value of accumulated pension benefits for 2014 was significantly greater than the change in 2013 primarily due to a lower discount rate and revised mortality assumptions for 2014. The revised mortality assumptions were derived from the mortality tables and the mortality improvement scales published by the Society of Actuaries in October 2014. For 2013, \$0 is reported with respect to changes in pension values because there was a decrease in the actuarial present value of the pension values for Messrs. Phegley and Trtek in 2013.
- (3) The amounts shown as All Other Compensation include: matching contributions under the 401(k) Plan of \$7,800 for each named executive officer except Ms. Hong, who received a matching contribution of \$4,223; matching contributions under the Supplemental Deferred Contribution Plan of \$1,956 for Ms. Hong; an annual car allowance of \$18,000 and personal care and gasoline expenses of \$7,122 for Mr. Hirz, \$11,400 for each of Messrs. Phegley and Laddon, and \$9,600 for Mr. Trtek; the unreimbursed use of the Company-provided gas card; the cost of the grandfathered executive medical plan, in an amount equal to \$7,620, for each named executive officer; temporary housing for Ms. Hong in an amount equal to \$34,597; reimbursement for Ms. Hong for costs and losses associated with selling her previous primary residence and purchasing a primary residence in Los Angeles, California, in an aggregate amount of \$53,150; and a tax "gross-up" for the taxes associated with Ms. Hong's temporary housing and home buying and selling costs in an amount equal to \$89,859.
- (4) The amounts shown for options awards for Messrs. Hirz and Phegley include the value of a modification of the repurchase rights for awards granted pursuant to the 2012 Incentive Plan. Such rights expired in connection with the IPO. The value of the modification for Mr. Hirz was \$1,126,466 and for Mr. Phegley was \$383,137.
- (5) Ms. Hong was hired as our Senior Vice President and Chief Marketing Officer in February 2014.
- (6) Represents the first three installments of Ms. Hong's signing bonus.

Employment Agreement and Offer Letter

We entered into an amended and restated employment agreement with Mr. Hirz on September 23, 2014 in connection with the IPO. We executed an offer letter with Ms. Hong on January 27, 2014 relating to Ms. Hong's employment as our Senior Vice President and Chief Marketing Officer, establishing her position and providing for compensatory terms. No other named executive officer is party to an employment agreement with the Company.

See "Compensation of Our Named Executive Officers" and "—Potential Payments upon Termination or Change in Control" for discussions of the current compensatory terms applicable to each named executive officer and a description of the terms of Mr. Hirz's employment agreement and Ms. Hong's offer letter.

(1) Represents options that were rolled over in connection with the Ares Acquisition from options in our former parent company. All options that were rolled over were fully vested as of the time of the rollover. The number of shares of common stock subject to such options and the applicable exercise prices were equitably adjusted in connection with the rollover.

- (2) Represents options granted on February 1, 2013 that vest at a rate of 20% per year on each of November 15, 2013, 2014, 2015, 2016 and 2017, subject to earlier termination upon the occurrence of specified events. In March 2015, all of Mr. Laddon's outstanding, unvested options were amended so that each tranche that was scheduled to vest on November 15, 2016 vests on April 1, 2016.
- (3) Represents options granted on September 23, 2014 that each vest at a rate of 10%/10%/20%/20%/40% on each of September 23, 2015, 2016, 2017, 2018 and 2019, subject to earlier termination upon the occurrence of specified events.
- (4) Represents awards granted on September 23, 2014 that vest on the earlier of (i) May 30, 2017, (ii) a Change in Control and (iii) the first day on or after May 30, 2016 on which Ares Management no longer holds 50% or more of the voting power of the Company, subject to earlier termination upon the occurrence of specified events.
- (5) Represents awards granted on September 23, 2014 that vest at a rate of 20% per year on each of March 3, 2015, 2016, 2017, 2018 and 2019, subject to earlier termination upon the occurrence of specified events.
- (6) Represents awards granted on September 23, 2014 that vest at a rate of 20% per year on each of September 23, 2015, 2016, 2017, 2018 and 2019, subject to earlier termination upon the occurrence of specified events. In March 2015, all of Mr. Laddon's outstanding, unvested options were amended so that the tranche that was scheduled to vest on September 23, 2016 vests on April 1, 2016.

Market value of shares that have not yet vested was calculated using a price of \$15.40 per share, which was the closing price on the last trading day prior to the end of the fiscal year.

Option Exercises and Stock Vested

The following table describes, for the named executive officers, the number of shares acquired on the exercise of options and the value realized on exercise of options during fiscal 2014 (after giving effect to the 190-for-one stock split of our common stock effected on September 19, 2014).

<u>Name</u>	<u>Option awards</u>	
	<u>Number of shares acquired on exercise</u>	<u>Value realized on exercise (\$)</u>

Richard N. Phegley	924,730(1)	5,762,333(2)
Eleanor E. Hong	—	—
Michael M. Laddon	—	—
Martin J. Trtek	—	—

- (1) The Company reduced the number of shares Mr. Phegley received upon exercise by 177,650 shares in partial satisfaction of the exercise price, and by 320,910 shares in satisfaction of the withholding taxes.
- (2) The value realized is computed as the difference between the fair market value of the underlying shares on the date of exercise and the exercise price times the number of options exercised.

Pension Benefits Table

We maintain the Pension Plan that was frozen in June 2008. Messrs. Phegley and Trtek were participants in the Pension Plan prior to the Pension Plan being frozen and have fully vested benefits therein.

Our named executive officers who participate in the Pension Plan may retire and begin receiving normal benefits at age 65. A participant is eligible to receive early retirement benefits under the Pension Plan after reaching age 55 and providing 10 years of service. Normal retirement benefits consist of a monthly benefit equal to a participant's final average earnings *multiplied* by 1.5% *times* years of service prior to 1992 *plus* 1.0% *times* years of service after 1992, *minus* any benefits received under any other pension plan related to the participant's service to us for which the participant receives benefits (e.g., a union pension plan). If a participant elects to receive early retirement benefits, such benefit will consist of the normal retirement benefits, reduced by 0.5% for each month the early retirement precedes the normal retirement date.

We engaged the services of Towers Watson to determine the present value of annual accrued and actual benefits under the Pension Plan. The change in actuarial present value of accumulated pension benefits for 2014 was significantly greater than the change in 2013 primarily due to a lower discount rate (4.25%) and revised mortality assumptions for 2014. The revised mortality assumptions were derived from the mortality tables and the mortality improvement scales published by the Society of Actuaries in October 2014. All other assumptions regarding forms of payment, married percentages and ages of spouses remained the same.

In addition, we maintain the SERP. The SERP was frozen to all participants and benefit accruals in January 2008. However, all of our named executive officers who are eligible to receive benefits pursuant to the Pension Plan are entitled to receive benefits equal to a certain percentage of their compensation, less the amounts payable under the Pension Plan. Messrs. Phegley and Trtek were participants in the SERP prior to the SERP being frozen and have fully vested benefits under the SERP.

We determine the present value of assets held in the SERP by each participant as of the end of each fiscal year. The calculations were performed on a person-by-person basis. Each participant's present value differs based on his individual election under the SERP. For example, participants could elect SERP benefits as single-life annuities, 15-year terms certain, joint-and-survivor or other applicable terms. Each election would have its own associated mortality assumption, if applicable. As a result of Mr. Phegley and Mr. Trtek moving closer to retirement eligibility, the present value of accumulated benefits increased by \$70,489 for Mr. Phegley and \$38,476 for Mr. Trtek. Other changes to the present value of accumulated benefits are generally the result of changes in interest rates and mortality assumptions. Also, there is no estimated rate of return on assets because the SERP is a nonqualified plan. The discount rate used to calculate the present value of SERP assets was 4.14% for 2013 and 3.42% for 2014.

The following table contains information about our plans that provides for payments or other benefits at, following, or in connection with retirement.

Nonqualified Deferred Compensation Table

We maintain the Supplemental Deferred Compensation Plan for a select group of our highly compensated employees, in which all our named executive officers are eligible to participate. Participants are entitled to defer up to 100% of their base compensation and incentive bonus in the Supplemental Deferred Compensation Plan.

Deferred amounts are paid in accordance with the participant's elections under the Supplemental Deferred Compensation Plan. In the event of the participant's termination of employment, deferred amounts are generally paid within 90 days following termination of employment, except in the event of the participant's retirement or disability, in which case deferred amounts are paid, at the participant's prior election, within 90 days following retirement or disability, or the fifth, tenth or fifteenth anniversary of such retirement or disability. We provide a matching contribution to participants in the Supplemental Deferred Compensation Plan equal to the match such participant would have received under the 401(k) Plan, except to the extent such contributions are subject to limits imposed by qualified plans.

Participants in the Supplemental Deferred Compensation Plan, including named executive officers, allocate their contributions and plan account balances among investment alternatives which track the performance of investment funds. The alternatives that named executive officers may elect to track include a money market fund, S&P 500 Index fund, a growth fund, a value fund, a mid-cap growth fund, a small-mid cap value fund, an international fund, a total return fund, a small-mid cap growth series, a small-cap value series, a small-cap index, a global bond, and an index fund that generally tracks the value of the common stock of Sprouts Farmers Market, Inc.

Potential Payments upon Termination or Change in Control

In this section, we describe payments that may be made to our named executive officers upon several events of termination, assuming the termination event occurred on the last day of fiscal year 2014 (except as otherwise noted).

The information in this section does not include information relating to the following:

- distributions under the Pension Plan, the SERP and the Supplemental Deferred Compensation Plan—see "—Fiscal Year 2014 Compensation—Elements of Our Executive Compensation Program—Pension Plan," "—Supplemental Deferred Compensation Plan" and "—Supplemental Executive Retirement Plan" for information regarding these plans;
- other payments and benefits provided on a nondiscriminatory basis to salaried employees generally upon termination of employment, including our 401(k) Plan; and
- shares underlying options that vested prior to the termination event—see the "—Outstanding Equity Awards at Fiscal Year-End Table."

Employment Agreement with David G. Hirz

On September 23, 2014, we entered into an amended and restated employment agreement with Mr. Hirz that provides for severance in the event that Mr. Hirz's employment is terminated by the Company without Cause or by Mr. Hirz for Good Reason. In the event of either such termination, Mr. Hirz will be entitled to receive:

- continuation of base salary for 24 months;
- a prorated share of the annual bonus based on actual performance, payable at the time bonuses are paid generally; and
- entitlement to exercise vested options for a period of 90 days after termination.

In addition, in the event that Mr. Hirz's employment is terminated within 60 days prior to or within one-year following a Change in Control (as defined in the 2014 Incentive Plan), he will be entitled to receive additional severance equal to two times his target annual bonus. In connection with such termination, to the extent permitted by Section 409A of the Code, any severance payable to Mr. Hirz will be paid in a lump sum.

"Good Reason" generally means the occurrence of any of the following events by the Company, without Mr. Hirz's consent: (i) a material diminution of Mr. Hirz's authority, responsibility or duties, including if Mr. Hirz no longer reports directly to our board of directors; (ii) relocation to a principal place of employment that is 25 miles further (one-way) from Mr. Hirz's current residence than the current headquarters in Commerce, California is from such residence; or (iii) failure by the Company

to comply with any material obligation imposed by the employment agreement. However, the Company may reduce Mr. Hirz's base salary in connection with a Company-wide reduction in salary or a reduction in salary of the Company's executive officers generally, and any such reduction shall not be deemed to be "Good Reason," provided that the percentage of any such reduction is no greater than the percentage reduction of any other officer.

"Cause" generally means the occurrence of any of the following events by Mr. Hirz: (i) a breach of any material provision of the employment agreement or a breach of any provision of the Fair Competition Agreement between Mr. Hirz and the Company; (ii) (A) the commission of any felony or (B) the conviction or plea of nolo contendere to any misdemeanor, in each case, that causes or is likely to cause material harm or embarrassment to the Company or any of its subsidiaries or any of its affiliates; (iii) theft, embezzlement or fraud in connection with the performance of Mr. Hirz's duties; (iv) the misappropriation of any material business opportunity of the Company or any of its subsidiaries by Mr. Hirz; (v) any material failure by Mr. Hirz to comply with, observe or carry out the Company's written rules, regulations, policies and codes of ethics and/or conduct applicable to its employees generally; (vi) any material failure by Mr. Hirz to comply with, observe or carry out the written rules, regulations, policies, directions, codes of ethics and/or conduct and restrictions for senior executives of the Company; and (vii) substance abuse or use of illegal drugs that (A) materially impairs performance of Mr. Hirz's duties or (B) causes or is likely to cause material harm or embarrassment to the Company or any of its subsidiaries.

In the event that Mr. Hirz's employment is terminated as a result of his death or disability, Mr. Hirz, his personal representative or guardian, as the case may be, is entitled to receive:

- continuation of base salary for 24 months; and
- a prorated share of the annual bonus based on actual performance, payable at the time bonuses are paid generally.

Eleanor Hong Offer Letter

In January 2014, we executed an offer letter with Ms. Hong that provides for severance in the event that Ms. Hong's employment is terminated by the Company without Cause or by Ms. Hong for Good Reason. In the event of either such termination, Ms. Hong will be entitled to receive:

- continuation of base salary for 12 months;
- a prorated share of the annual bonus based on actual performance, payable at the time bonuses are paid generally;
- continuation of medical, dental and vision insurance for the shorter of (a) 12 months or (b) until she obtains eligibility for such benefits from a subsequent employer;
- executive level outplacement services for 12 months;
- any unpaid sign-on bonus amounts that she would have been entitled to receive had she remained employed with the Company through 18 months of employment; and
- entitlement to exercise vested options for a period of 90 days after termination.

"Good Reason" generally means the occurrence of any of the following events by the Company, without Ms. Hong's consent: (i) a material diminution of Ms. Hong's responsibility or duties, as in effect on her start date; (ii) relocation to a principal place of employment that is 25 miles further (one-way) from Ms. Hong's current residence than the current headquarters in Commerce, California is from such residence; or (iii) failure by the Company to comply with any material obligation imposed by the offer letter or any documents relating to her option awards. However, the Company may reduce Ms. Hong's base salary in connection with a Company-wide reduction in salary or a reduction in salary of the Company's executive officers generally, and any such reduction shall not be deemed to be "Good Reason," provided that the percentage of any such reduction is no greater than the percentage reduction of any other officer.

"Cause" generally means the occurrence of any of the following events by Ms. Hong: (i) the commission of any felony or a crime of moral turpitude; (ii) the commission of an act of gross negligence or fraud in connection with the performance of her duties; (iii) material violation of any policy of the Company; (iv) failure by or refusal of Ms. Hong to substantially perform her material employment duties or to implement the reasonable directives of the Company; and (v) willful engagement in misconduct that is materially injurious to the Company that is materially injurious to the Company.

Severance Plan

The Company maintains the Severance Plan, in which all of our named executive officers other than Mr. Hirz and Ms. Hong participate.

In the event that the employment of any named executive officer who participates in the Severance Plan is involuntarily terminated by the Company for any reason other than on account of Cause (as defined below), death or disability, such named executive officer is entitled to receive the following severance benefits:

- continuation of base salary for 12 months;
- a prorated share of the annual bonus based on actual performance, payable at the time bonuses are paid generally;
- continuation of medical, dental and vision insurance through the earlier of (i) 12 months or (ii) the date the participant obtains eligibility for welfare benefits from a subsequent employer; and
- reasonable executive level outplacement services for 12 months.

"Cause" generally means a finding by the Compensation Committee that the participant has (i) committed a felony or a crime involving moral turpitude, (ii) committed any act of gross negligence or fraud, (iii) failed, refused or neglected to substantially perform his or her employment duties (other than by reason of a physical or mental impairment) or to implement the reasonable directives of the Company (that is not cured within 30 days), (iv) violated any material policy of the Company (that is

not cured within 30 days), or (v) engaged in fraud or misconduct that is materially injurious to the Company, monetarily or otherwise.

ADVISORY VOTE ON EXECUTIVE COMPENSATION (PROPOSAL 3)

In accordance with Section 14A of the Exchange Act, which was added by The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 ("Dodd-Frank") and the related SEC rules promulgated thereunder, we are providing our stockholders the opportunity to cast a non-binding advisory vote to approve the compensation of the named executive officers. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on the compensation of our named executive officers.

As described in the "Compensation Discussion and Analysis" section of these proxy materials, the primary objectives of our executive compensation program are to (i) offer balanced total compensation in an effort to satisfy our stockholder, Company and individual executive goals, (ii) attract and retain high caliber executives and key personnel by offering competitive compensation, (iii) align the compensation of executives with the goals of the Company by offering performance incentives and (iv) increase, when appropriate, the percentage of total compensation that is "at risk" proportionate to executives' overall responsibilities, position and compensation. The foregoing objectives are applicable to the compensation of our named executive officers. We urge our stockholders to review the Executive Compensation above and the compensation tables and narrative discussion included therein for more information.

We believe that our executive compensation program achieves these objectives by balancing multiple compensation elements, while keeping an appropriate portion of compensation "at risk," which has enabled us to successfully motivate and reward the named executive officers. We believe such program is appropriate in light of our overall compensation philosophy and objectives and has played an essential role in our continued growth and financial success by aligning the long-term interests of the named executive officers with the long-term interests of our stockholders.

For these reasons, the Board recommends a vote in favor of the following resolution:

"RESOLVED, that the compensation paid to the Company's named executive officers for the Company's fiscal year ended December 28, 2014, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED."

As an advisory vote, this proposal is not binding upon us. Notwithstanding the advisory nature of this vote, the Compensation Committee values the opinions expressed by stockholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for our named executive officers. Furthermore, stockholders are welcome to bring any specific concerns regarding executive compensation to the attention of the Board at any time throughout the year. Please refer to "Other Board Information—Stockholder Communications" above for information about communicating with the Board.

The affirmative vote of the holders of a majority of the votes cast by our stockholders in person or represented by proxy and entitled to vote is required to approve this Proposal 3.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE *FOR* THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS FOR THE COMPANY'S FISCAL YEAR ENDED DECEMBER 28, 2014, AS DISCLOSED IN THESE PROXY MATERIALS.

ADVISORY VOTE ON SAY-ON-FREQUENCY VOTE (PROPOSAL 4)

In accordance with Dodd-Frank and the related SEC rules promulgated thereunder, we are seeking the input of our stockholders on the frequency with which we will hold a non-binding, advisory vote by our stockholders to approve the compensation of our named executive officers (commonly known as a "say-on-frequency" vote). In voting on this Proposal 4, stockholders are provided with four choices: stockholders may indicate their preference as to whether the advisory vote to approve the compensation of the named executive officers should occur every year, every two years or every three years or stockholders may abstain from making a recommendation.

After careful consideration, it is the opinion of the Board that an annual advisory stockholder vote on the compensation of our named executive officers is the most appropriate option for us because it will allow our stockholders to provide more frequent, direct input on our compensation policies and practices, and the resulting compensation for our named executive officers. Stockholders will have the opportunity to consider our most recent compensation decisions in the context of our pay for performance policy and focus on increasing long-term stockholder value, and to provide feedback to us in a timely way. Finally, the Board believes an annual advisory stockholder vote promotes corporate transparency.

While the Board has determined that the say-on-frequency vote shall be held annually, stockholders are not voting to approve or disapprove of the Board's determination. Rather, stockholders are being provided with the opportunity to cast an advisory vote through the resolution set forth above. As an advisory vote, the result of the vote is not binding. However, the Board values the opinions of our stockholders in their vote on this matter, and will consider the outcome of the vote when making a determination as to the frequency of future advisory votes to approve executive compensation.

The alternative receiving the greatest number of votes (once every one year, two years or three years) will be the resulting recommendation, on an advisory basis, of our stockholders.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE, ON AN ADVISORY BASIS, TO RECOMMEND HOLDING THE SAY-ON-FREQUENCY VOTE *ONCE EVERY YEAR*.

The following table below sets forth information regarding the beneficial ownership of our common stock as of February 27, 2015 by (i) each person, or group of affiliated persons, known by us to beneficially own more than five percent of our common stock; (ii) the Named Executive Officers; (iii) each of our directors and nominees for director; and (iv) all of our directors and executive officers as a group.

Beneficial ownership is determined in accordance with the Exchange Act and includes voting and investment power with respect to our common stock. The following table includes common stock issuable within 60 days of February 27, 2015 upon the exercise of all options and other rights beneficially owned by the indicated stockholders on that date. Percentage of beneficial ownership is based on 73,771,652 shares of common stock outstanding at February 27, 2015. - (1) Beneficial ownership is determined in accordance with the rules of the SEC. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of our common stock subject to options or warrants held by that person that are currently exercisable or exercisable within 60 days are deemed outstanding, but are not deemed outstanding for computing the percentage ownership of any other person. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to such securities.
- (2) Shares of our common stock are held directly by ACOF III and ACOF IV. The manager of ACOF III is ACOF Operating Manager III, LLC ("ACOF Operating Manager III"), and the sole member of ACOF Operating Manager III is Ares Management LLC

("Ares Management LLC"). The manager of ACOF IV is ACOF Operating Manager IV, LLC ("ACOF Operating Manager IV"), and the sole member of ACOF Operating Manager IV is Ares Management LLC.

The sole member of Ares Management LLC is Ares Management Holdings L.P. ("Ares Management Holdings") and the general partner of Ares Management Holdings is Ares Holdings Inc. ("Ares Holdings"), whose sole stockholder is Ares Management. The general partner of Ares Management is Ares Management GP LLC ("Ares Management GP") and the sole member of Ares Management GP is Ares Partners Holdco LLC ("Ares Partners" and, together with ACOF III, ACOF IV, ACOF Operating Manager III, ACOF Operating Manager IV, Ares Management LLC, Ares Management Holdings, Ares Holdings, Ares Management, and Ares Management GP, the "Ares Entities"). Ares Partners is managed by a board of managers, which is composed of Michael Arougheti, David Kaplan, John Kissick, Antony Ressler and Bennett Rosenthal. Decisions by Ares Partners' board of managers generally are made by a majority of the members, which majority, subject to certain conditions, must include Antony Ressler. Each of the Ares Entities (other than each of ACOF III and ACOF IV with respect to the shares held directly by it) and the members of Ares Partners' board of managers and the other directors, officers, partners, stockholders, members and managers of the Ares Entities expressly disclaims beneficial ownership of the shares of our common stock.
