COMMERCE, Calif. (November 12, 2014) —Smart & Final Stores, Inc. (the “Company”) (NYSE:SFS) today reported results for its 16-week third quarter ended October 5, 2014.

“It’s an exciting time at Smart & Final Stores,” said Dave Hirz, President and Chief Executive Officer. “Our store banners are uniquely positioned at the intersection of value, convenience and quality. We are leading the way with the growth of our Smart & Final *Extra!* stores which offer a one-stop shopping experience that resonates with today’s household and business customers. We continue to grow sales in both of our store banners — *Smart & Final* and *Cash & Carry* — and this has translated into strong financial results.”

Mr. Hirz continued, “Importantly, we continue to see growth in customer transactions as our distinct merchandise and strong value pricing remains a compelling proposition for both household and business customers. Our strong financial performance of 10.8% sales growth and 6.6% comparable store sales growth provides a strong foundation for continued growth, and we plan to continue a robust program of new store openings during the balance of this year and during 2015.”

In order to aid understanding of the Company’s business performance, it has presented results in conformity with accounting principles generally accepted in the United States (“GAAP”) and has also presented adjusted net income, adjusted net income per share, adjusted net income per diluted share, EBITDA and adjusted EBITDA, which are non-GAAP measures that are explained and reconciled to the comparable GAAP measures in the tables included in this release. Where applicable, the numbers below are first presented on a GAAP basis and then on an adjusted basis.

The Company defines adjusted net income per share as adjusted net income divided by the weighted average basic shares outstanding. The Company defines adjusted net income per diluted share as adjusted net income divided by the weighted average diluted shares outstanding.
